

# Wledclocks Download Test 02

Wledclocks CMS download flow test

This second sample confirms that multiple PDF records can coexist in one Downloads category without sharing attachment metadata.

|                 |                                                 |
|-----------------|-------------------------------------------------|
| Test file       | wledclocks-download-test-02.pdf                 |
| Sequence        | 2 of 3                                          |
| Expected result | The browser receives this PDF as an attachment. |

This document is a temporary test asset for the public Downloads category.
